

Job Title: Software Developer (3-5 Years' Experience)

Location: Wakad Pune

Job Type: Full-Time

About the Role: We are seeking a skilled and motivated Software Developer with 3-5 years of hands-on experience in software development. The ideal candidate will have strong expertise in C#, .NET Core, JavaScript, and SQL Server, with additional experience in Angular being a plus. You will play a key role in designing, developing, and maintaining scalable and efficient applications, collaborating with cross-functional teams to deliver high-quality software solutions.

Key Responsibilities:

- Design, develop, and maintain robust, scalable, and efficient web applications using C#, .NET Core, JavaScript, and SQL Server.
- Collaborate with product managers, designers, and other developers to define project requirements and deliverables.
- Write clean, maintainable, and well-documented code following best practices and coding standards.
- Troubleshoot, debug, and resolve application issues in a timely manner.
- Participate in code reviews to ensure code quality and share knowledge with team members.
- Develop and maintain SQL Server databases, including writing complex queries and stored procedures.
- (Optional) Build dynamic and interactive user interfaces using Angular.
- Stay up-to-date with emerging technologies and industry best practices to continuously improve development processes.

Required Skills:

- 3-5 years of experience in software development.
- Proficiency in C# and .NET Core.
- Strong knowledge of JavaScript.
- Hands-on experience with SQL Server, including database design and query optimization.
- Solid understanding of object-oriented programming and design patterns.
- Experience with RESTful APIs and web services.
- Excellent problem-solving and analytical skills.
- Strong communication and collaboration abilities.

Optional Skills:

- Experience with Angular framework.
- Knowledge of front-end libraries and frameworks.
- Familiarity with version control systems like Git.

Education:

- Bachelor's degree in Computer Science, Information Technology, or a related field (or equivalent practical experience).

Benefits:

- Competitive salary and performance-based bonuses.
- Health insurance and other benefits.
- Opportunities for professional growth and development.
- Collaborative and inclusive work environment.

How to Apply: Please submit your updated resume and a cover letter detailing your relevant experience and why you would be a great fit for this role.

We are an equal opportunity employer and value diversity in our team. We encourage candidates from all backgrounds to apply.
